LEARNER	
CLASS	IGCSE Mathematics
EXAM SERIES	CAIE: 0486, 0992 Edexcel: 4MA1

As IGCSE Mathematics can be studied at your own pace, you are able to set your own timetable for when assignments will be completed. All assignments are listed below and under 'Assignment Due' you are able to add your own deadline date to ensure these are completed on time. Remember you will want to complete all assignments a couple of months before your actual exams to give you time to complete practice exam papers.

eBook

There are various eBooks for IGCSE Mathematics and we will provide you with eBooks from our library

PRACTISE EXAM PAPERS

Once you have submitted all your assignments, please let your tutor know. They will ensure that you are provided with up to date practise exam papers where you will spend the remaining time you have left completing these in preparation for exams.

PLEASE NOTE

Abstract Education will close over the Christmas break for approximately two weeks. You will still be able to submit work over this period, however messages and requests will be processed when your tutor returns. Your portal will be updated with the exact dates nearer the time.
